STEEL FIRMS SEEK BILLION DOLLAR MERGER

FREE-FOR-ALL BATTLE CERTAIN IN INDUSTRY

DIRECTORS OF BETHLEHEM AND
YOUNGSTOWN COMPANIES
APPROVE MERGER

OPPOSITION AROUSED BY GIGANTIC
SIZE OF PROPOSED
ORGANIZATION

New York, March 13.—(U.P.)—The skirmish between management of the Gulf States Steel Corporation and the Cyrus S. Eaton-Otis-Mather group of middle west financiers, which was expected to impede, if not completely block the proposed merger between the \$350,000,000 Republic Steel Corporation and the \$50,000,000 Gulf Steel organization, has ended in a sweeping and decisive victory for the Eaton group.

Announcement by the Gulf management that a harmonious agreement had been reached, and that plans for merger on a basis equitable to both parties would be discussed, was interpreted as meaning that the preliminary obstacles have been cleared away and that the merger will progress without hindrance.

The threat of the management to seek proxies, and the move to amend the Gulf certificate of incorporation to make a two-thirds favorable vote a requisite for merger, have been definitely abandoned by the proxy committee, it was announced by William H. Coverdale, Gulf States Steel president.

By ELMER C. WALZER
(United Press Financial Editor)
New York, March 13.—A free-for-all battle in the steel industry appeared certain today with the announcement that directors of the Bethlehem Steel Corporation and Youngstown Sheet & Trust Company had approved plans for a billion dollar merger.

Approval was announced after board meetings held here by the Bethlehem Corporation and in Youngstown, Ohio, by the Youngstown company. A special meeting of Youngstown stockholders was called for April 8, to either consummate or reject the consolidation plans.

Soon after announcement was made of the directors' action came word of opposition to the project. This opposition revolves around the fact that the merger would create an organization capable of producing approximately 13,000,000 tons ingot annually, making it the second largest steel producer in the country.

What this merger would do for Bethlehem, it could do for Republic Steel Corporation, a company recently formed through a series of acquisitions and a factor in the industry. Hence, Republic is casting longing eyes toward the Youngstown company.

Cyrus S. Eaton, Cleveland financier, who was a factor in the development of Republic, is said to control 20 per cent of the Youngstown company's voting stock and to have the support of other large stockholders. Eaton and his associates asked the directors for more time to think over the Bethlehem-Youngstown merger but this was denied by action of the boards.

As a result of this, the Eaton group announced from Cleveland that it would immediately start action to thwart the Bethlehem-Youngstown merger. The announcement said a proxy committee representing Youngstown and Cleveland interests would be organized to fight the project and that it would start its bid for proxies.

Undaunted, however, by the temporary setback occasioned by the action of the Youngstown-Bethlehem directors, the Republic Company moved ahead in its effort to maintain and increase its present prestige.

TWO VICTIMS OF TRAIN ACCIDENTS

Duluth, Minn., March 13.—(U.P.)—Axel Brown, 70, an inmate of the St. Louis county poor farm, died in a hospital at noon today, the second victim of railroad train accidents here in two days.

The aged man's body was found by workmen on a Great Northern railway trestle. He was believed to have been struck by a passenger train.

The second victim was C. B. Kroffas, 77, driver of a horse-drawn school bus. He was killed late yesterday when his vehicle was struck by a fast Soo line passenger train en route to Duluth from Minneapolis.

More than 20 children had left the bus only a few minutes before it was struck. The accident occurred near Boyston, Wis., seven miles south of Superior.

HINTS AT CHANGES IN TRANSPORTATION ACT

Chicago, March 13.—(U.P.)—President Charles Donnelly, president of the Northern Pacific Railway Company, last night told members of the American Railway Engineering association that the general consolidation provisions of the transportation act should be replaced by a new law eliminating the unworkable features of the present act. He did not specifically discuss the Northern Pacific-Great Northern unification.

Major Objectives of London Naval Parley Fail

FLOODS SPREAD OVER SOUTHWEST FRANCE TODAY

Foix, France, March 13.—(U.P.)—Heavy rains following deep snows today sent floods spreading over southwestern France which, it was feared, may cause a second disaster, similar to the one which lost more than 200 lives and devastated a wide area last week.

Inhabitants of the lower sections of Salies de Bearn near Bayonne were evacuated. It was believed the rain, falling ceaselessly, might cause a disastrous flooding of the Pyrenees valleys.

STAGG, AGED COACH, IS FOR PROHIBITION

TESTIFIES IT IS A GREAT BENEFIT
FIT TO YOUTH OF THE
COUNTRY

"WE PARENTS ARE TO BLAME IF
THE BOYS AND GIRLS GO
WRONG," SAID HE

Washington, March 13.—(U.P.)—Alonso A. Stagg, "the grand old man of football," and for forty years coach at the University of Chicago, brought his endorsement of prohibition as a great benefit to the youth of the country to climax a stormy session of the house judiciary prohibition hearings today.

His endorsement followed that of a number of prominent business men throughout the country, who sent telegrams taking issue with previous wet testimony that industrial leaders are opposed to prohibition. These were offered by Carlton Sherwood, executive secretary of the Committee of 1,000 of New York.

Not prohibition, "but we parents are to blame if the boys and girls go wrong," he said.

Turning to football, he said of candidates for the team, "I'd cut their heads off if they were trying for the team and drank."

The veteran coach reported that at a recent meeting of western intercollegiate conference coaches at Minneapolis, it had been agreed that drinking among college students was exaggerated.

"These men are well informed on student life in their communities," Stagg said. "We agreed there was a small group of men who drink and some of them to excess, but we were unanimous that conditions were getting better each year and the great mass of students were sensible and self-disciplined."

"Undoubtedly, there is a variation in our respective universities, but several directors stated that drinking was not a real problem in their institutions. I can state with absolute confidence that it is not a problem at the University of Chicago, that only a very small percentage of the students drink at all."

"There always will be some men who are jackasses enough to take chances of ruining their health and their future success in life by drinking."

"I am convinced that in most cities 10,000 to 25,000 and less, there is no serious prohibition problem. That does not mean there is no drinking or bootlegging. We shall never be able to stop them completely, no more than the government is able to stop the bootleggers of opium."

"A while ago, I was invited to a reception to a football coach. I accepted particularly because I wished to do honor to him, but the host was an old friend also. High officials of the city attended and there were several distinguished guests. Various kinds of liquors were passed around. There may have been others, but as far as I observed during my brief stay, the two football coaches were the only ones who did not imbibe. Of course, nobody got drunk. It was a select group. The host and hostess represent the special privileged class. To that class nothing is wrong and that free freely absolves itself from wrongdoing."

"Your statement is the most clear and talented I have yet heard on your side of the question," LaGuardia said.

BEGGAR RECOVERS HIS SIGHT WHEN HE HEARS DOLLAR DROP

Kansas City, Mo., March 13.—(U.P.)—Because Bert Goza heard a silver dollar drop on the sidewalk and picked it up after discarding his glasses, Goza was \$15 poorer today.

Goza was seated on the sidewalk and wore a sign reading, "I am blind and forlorn. I wish I had never been born."

The man who dropped the dollar was a detective. He told the police judge Goza was not blind. The judge fined Goza \$15. Goza said it was arrest number 152, paid back the arresting officer, and left.

Spring Trade Week in Brainerd Is Set for Monday, March 24 to Saturday, March 29

CHAMBER COMMERCE GIVES ITS MORAL SUPPORT TO SAME

PURPOSE IS TO STIMULATE AND
GIVE IMPETUS TO EARLY
SPRING SHOPPING

PRESIDENT C. A. RYAN ANNOUNCES COMMITTEE APPOINTMENTS MADE

At the Chamber of Commerce meeting Wednesday night, the Chamber of Commerce gave its moral support to the inauguration of Spring Trade Week in Brainerd extending from March 24 to 29 and co-operated with George D. Irwin, manager of the Public Theatre.

Spring Trade Week is an institution which has developed throughout the entire country during the past few years. It has, at practically every point, received the enthusiastic and unanimous support and co-operation of merchants, civic organizations and theatres.

The purpose of Spring Trade Week is to stimulate and give impetus to early spring shopping, and to draw out-of-town purchasers to the first spring offerings of merchants and theatres in each community.

For this occasion merchants will place on sale and display special attractions. The theatre will provide the finest all-talking screen entertainment of the season, offering out-of-town customers the added inducement of high-grade amusement during their shopping trips to the city.

All activities will be planned to work for the mutual benefit and advantage of both merchants and theatres.

The committee named includes Geo. D. Irwin, W. P. Tyrholm, Albert O. Anderson, George E. Ericson, R. M. Sheets and J. M. Owen.

Mr. Irwin spoke of the benefits accruing to the various cities where Spring Trade Week has been a real success in bringing persons to town from a wide area, in stimulating business and extending trade territory. St. Cloud, Rochester, Hibbing, Virginia have given their endorsements to Spring Trade Week.

Committees Announced

President C. A. Ryan of the Chamber of Commerce made these committee appointments for the new year: Finance—F. H. Gruenhagen, chairman, and R. J. Tinkelpaugh, S. R. Adair.

Publicity—John A. Hoffbauer, chairman, and George E. Ericson.

Traffic—Con O'Brien, chairman, and Carl Zapfe, A. C. Ebert.

Meetings and entertainments—Frank G. Hall, chairman; and Robert Nichols, Wm. A. Spencer.

Membership—R. R. Gould, chairman; O. A. Peterson, W. P. Tyrholm.

Athletic Park—J. P. Anderson, chairman.

Tourist Trade—R. E. Wyatt, chairman; F. N. Russell, R. L. Geist.

Tax Reduction—A. M. Opsahl, chairman; Frank J. Lowey, R. J. Tinkelpaugh, B. L. Lagerquist.

Airport—Dr. E. C. Herzog, chairman.

MAN'S HEART BEAT 39 HOURS AFTER HE CEASED BREATHING

Portland, Ore., March 13.—(U.P.)—A man's heart which kept beating for 39 hours after he ceased breathing had stopped today and Adrian Granby, 29-year-old mill-hand, was dead.

Granby, suffering from a brain tumor and unconscious, had been unable to breathe since early Tuesday, but his heart action continued normal until he died last night.

SENATE PUTS 2 CENTS DUTY ON CUBAN SUGAR

2.5 CENTS ON SUGAR IMPORTATIONS FROM REST OF THE WORLD

Washington, March 13.—(U.P.)—The senate approved finally today a duty of two cents a pound on Cuban sugar and 2.5 cents on sugar from the rest of the world.

It rejected the Nye motion to reconsider its previous action in adopting the Smoot amendment, which raised the sugar tariff to 2 and 2.5 cents.

The present tariff is 1.76 cents a pound on Cuban sugar and 2 cents on sugar imported from the rest of the world.

The vote reaffirming the sugar tariff increases greatly discouraged the democratic-western coalition which has been successful in reducing high rates of the house bill.

The vote was regarded as a forecast of similar action increasing duties on cement, hides, lumber and possibly oil.

There will be no chance for another vote on sugar in the senate. The bill will go to conference for adjustment between the house rates of 2.4 cents on Cuban sugar and 3 cents on other sugar imports and the senate rate of 2 and 2.5 cents respectively.

The vote on the Nye motion was 38-47.

BOY OF 7 CRUSHED BY 10-TON TRUCK

St. Paul, March 13.—(U.P.)—V. C. Lindberg, truck driver, was held without charge today while police investigated the death of a 7-year-old boy who was crushed as he crossed the street by Lindberg's 10-ton truck.

Witnesses said two boy school police held up their stop signs while Quentin and 15 other children were crossing the street, but Lindberg could not stop the heavy truck.

Manila, P. I., March 13.—(U.P.)—Fire of undetermined origin, which started yesterday afternoon swept through Manila's most congested residential district last night, razing more than 100 homes.

PREDICTS NEW PROSPERITY FOR ALL BUSINESS

JOHN BRANDT SPEAKS AT LAND O' LAKES CREAMERIES ANNUAL MEETING

IS OPTIMISTIC REGARDING ENTIRE RECOVERY OF THE DAIRY INDUSTRY

Minneapolis, March 13.—(U.P.)—John Brandt, president of Land O' Lakes Creameries, today predicted a new prosperity in 1930 for all business, including the dairy industry, in an address before the annual convention of the farm co-operative.

The convention was attended by farmers and representatives of member co-operative creameries from Minnesota, Wisconsin, the Dakotas, Iowa and Michigan.

"We can see business prosperity just ahead," Brandt said.

He said improving conditions have been reported to Land O' Lakes from business representatives in every section of the country.

Referring to the recent slump in butter prices, Brandt said dairy farmers operating at a handicap on account of competition in their own field. He said farmers have been forced to compete in an unprotected market and buy in a market that has been given to home manufacturers through an effective protective tariff.

"The farmers could have avoided this condition had they been organized in business groups with the right kind of leadership. The co-operative movement has afforded the farmer an opportunity to become acquainted with his neighbor and has broadened his business views."

"He no longer listens to arguments that implied enmity and distrust toward everyone employed in any business except farming. The real business co-operator no longer listens to unkind and unfair arguments."

The creamery president said that in the past there has been too much co-operative gathering and dumping of farm produce, and not enough real marketing. He said the system of marketing which will be worked out by co-operatives in the future will not adversely affect commission men and brokers.

Brandt put the Land O' Lakes Creameries on record as heartily in favor of the federal farm board program. He explained that the creamery co-operative has borrowed funds from the board to be used in operation and expansion.

AUTHORIZE BRIDGE ACROSS MISSISSIPPI AT TOPEKA, MINN.

Washington, March 13.—(U.P.)—A bill authorizing the state of Minnesota to construct a bridge across the Mississippi river at or near Topeka, Minn., was passed by the senate today.

TO CAPITOL—AND THEN FAREWELL

On a simple catafalque draped with the flag he loved and served for two score years, William Howard Taft lies in state in the rotunda of the Capitol. There came friends—was one of the few men in high political life with almost no foes—dignitaries of the nation, great jurists, the people of Washington; all to sadly bid a last farewell.

FOUR MEN FOUND HANGED ON ROAD NEAR MEXICO CITY

Mexico City, March 13.—(U.P.)—The capital awaited developments today in the investigation into the murder of four men found hanged by the side of a highway near Mexico City.

The men all reportedly were supporters of Joe Vasconcelos, defeated presidential candidate. The war department denied that the military were responsible for the deaths.

GENTLEMAN CAN NEVER WIN AN ARGUMENT VS. LADY

DOES NOT DISSUADE WET MEMBERS OF HOUSE JUDICIARY COMMITTEE

HALF A DOZEN DRY WOMEN WITNESSES RECALLED FOR CROSS-EXAMINATION

By PAUL R. MALLON
(United Press Staff Correspondent)

Washington, March 13.—The old warning that a gentleman can never win an argument with a lady did not dissuade wet members of the house judiciary committee who today recalled half a dozen dry women witnesses for further cross-examination.

The experience of the wets, particularly Reps. LaGuardia, republican of New York City, and Celler, democrat of Brooklyn, during nearly three hours of close questioning late yesterday, did, however, throw a damper upon further proceedings.

The two attorneys, veterans of innumerable debates in the courtroom and upon the floor of the house, indicated they were about ready to concede the last word to the so-called weaker sex, in the hearing on bills to repeal or modify the 18th amendment.

Their 79-year-old conferee, the wet chairman of the committee, Rep. Graham, republican, Pennsylvania, conceded the ladies that much from the start and has declined to question them, leaving the word jousting to his rasher and younger associates.

For nearly three hours LaGuardia and Celler cajoled, pleaded and argued with the ladies about prohibition and its effects, but the results of their efforts were only such answers as "You are trying to twist my language and put words in my mouth," "You now that, why do you ask me?" "I never heard of corn liquor in my life," "I am aware some liquor is being drunk in this country."

The ladies, part of a delegation of women's leaders of clubs, attorneys, welfare and social workers, stuck to their arguments insistently and claimed prohibition brought great economic benefits, lessened drinking, rescued the home, protected women and was the greatest moral improvement of this age.

From the delegation of 23, Celler and LaGuardia recalled six for further examination.

The only other dry witnesses scheduled for today was Carlton Sherwood, member of the citizens committee of 1,000, New York.

DEFENSE CLAIMS HURLEY WAS UNARMED NIGHT OF SHOOTING

St. Paul, March 13.—(U.P.)—Defense attorneys today told a jury of two women and 10 men that George Hurley was unarmed the night W. R. Bacheller, contractor, was shot to death in a street brawl.

Thomas McMeekin, chief defense counsel, began his closing arguments after the noon recess, and it was expected the case would be given to the jury late today. C. D. O'Brien, county prosecutor, asked in his final plea that a verdict of guilty on a charge of murder be returned against Hurley.

The trial began nine days ago and more than 40 witnesses testified. Both state and defense introduced witnesses who disagreed whether Bacheller was killed by Hurley or by the "shorter man" who was Hurley's companion on a drunken spree.

CHARGES NEBRASKA CO-EDS WITH BEING 'GOLD DIGGERS'

Lincoln, Neb., March 13.—(U.P.)—University of Nebraska co-eds today stood charged with being "gold diggers" by proprietors of campus food shops where students do their "caking" and "lolligaging."

"The majority of the co-eds will eat dinner as much when with a boy friend as when footing their own bill," the proprietors testified; while complaining that he believed this habit of the co-ed is responsible for a noticeable decline in the number of caking dates.

The report of the psychiatrists will be submitted to circuit court Monday and "since the defense and prosecution have agreed to abide by their finding, it is probable that Schumm will be confined to an asylum," the Star said.

The three physicians however, refused to discuss the report today.

Schumm was indicted on a charge of murder. He had come home from a party, called his parents from bed, asked them if they believed in God, and when they replied "yes," he shot them.

FRENCH AND SPANISH POINTS ANTAGONISTIC

FRANCE WANTED SECURITY ON
SEAS FOR REDUCING HER
NAVAL REQUIREMENTS

ITALY INSISTED UPON A NAVAL
EQUALITY WITH FRENCH
DEMANDS

By WEBB MILLER
(United Press Staff Correspondent)

London, March 13.—Refusal of the powers to guarantee France security on the seas in return for reduction of her naval requirements, and the insistence of Italy upon naval equality with France, were viewed today as having definitely ended hope of attaining the major objects of the London naval conference.

Foreign Minister Aristide Briand's declaration that he believed the work of the conference would be concluded next week or at the beginning of the following week, together with his announcement that he would return to Paris when Premier Andre Tardieu takes up the negotiations in London, have thrown a pessimistic cloud over the conference.

Briand's announcement that a security pact such as France set up as a bargain in return for reduction of her navy was impossible at the present conference occasioned little surprise. Throughout the negotiations the United States delegation has firmly adhered to the stand that America would participate in no such pact, and it has been generally understood that Great Britain was opposed to entering into any Mediterranean treaty based on the lines of the Locarno pact, which was another primary demand of the French delegation.

Two hopes remain, the first is that Tardieu will present a new set of "minimum" French figures for discussion by the conference.

The second is that, if no five-power agreement is arrived at, a triple arrangement between Great Britain, Japan and the United States, to which France and Italy may agree in some points, may be reached.

Such an agreement would include a contingent clause applying to Great Britain, who would be permitted to extend her building program "if endangered by other powers."

Signing of such an agreement immediately would raise the question of ratification by the United States senate, and no one is willing to risk a prediction on that point.

Happier results have been achieved, however, regarding the cruiser differences between Japan and the United States. Daily conferences between Britain, America and Japan have virtually settled the problem revolving around Japan's claims for a 70 per cent ratio, the United Press learned today.

This in itself would pave the way for a three-power agreement, provided the contingent clause demanded by Great Britain is not too severe to be swallowed by the United States senate.

London, March 13.—Premier J. Ramsay MacDonald threw all his personal influence into an effort to save the five-power naval conference today.

The British spokesman said MacDonald, sensing a serious crisis, was stepping in to do all in his power to settle the differences among the delegations.

MacDonald caused postponement of the regular daily meeting of the "big five" at 4 P. M. to permit him to hold personal conferences with the French and Italian leaders. He saw Reijiro Wakatsuki, chief Japanese delegate, during the morning and arranged to see Dnio Grandi, the Italian foreign minister, at 3 P. M., and Foreign Minister Aristide Briand of France at 4 P. M.

He made no plans to confer with Secretary Henry L. Stimson, since the differences between Great Britain and the United States are almost nothing.

SLAYER OF FATHER IS FOUND INSANE

St. Louis, Mo., March 13.—(U.P.)—Alan H. Schumm, the University of Illinois freshman who killed his father and wounded his mother while home on a vacation last January, has been found insane by the commission of three mental experts appointed to examine him, the St. Louis Star said today.

The report of the psychiatrists will be submitted to circuit court Monday and "since the defense and prosecution have agreed to abide by their finding, it is probable that Schumm will be confined to an asylum," the Star said.

The three physicians however, refused to discuss the report today.

Schumm was indicted on a charge of murder. He had come home from a party, called his parents from bed, asked them if they believed in God, and when they replied "yes," he shot them.

MAN'S HEART BEAT 39 HOURS AFTER HE CEASED BREATHING

Portland, Ore., March 13.—(U.P.)—A man's heart which kept beating for 39 hours after he ceased breathing had stopped today and Adrian Granby, 29-year-old mill-hand, was dead.

Granby, suffering from a brain tumor and unconscious, had been unable to breathe since early Tuesday, but his heart action continued normal until he died last night.

SENATE PUTS 2 CENTS DUTY ON CUBAN SUGAR

2.5 CENTS ON SUGAR IMPORTATIONS FROM REST OF THE WORLD

Washington, March 13.—(U.P.)—The senate approved finally today a duty of two cents a pound on Cuban sugar and 2.5 cents on sugar from the rest of the world.

It rejected the Nye motion to reconsider its previous action in adopting the Smoot amendment, which raised the sugar tariff to 2 and 2.5 cents.

The present tariff is 1.76 cents a pound on Cuban sugar and 2 cents on sugar imported from the rest of the world.

The vote reaffirming the sugar tariff increases greatly discouraged the democratic-western coalition which has been successful in reducing high rates of the house bill.

The vote was regarded as a forecast of similar action increasing duties on cement, hides, lumber and possibly oil.

There will be no chance for another vote on sugar in the senate. The bill will go to conference for adjustment between the house rates of 2.4 cents on Cuban sugar and 3 cents on other sugar imports and the senate rate of 2 and 2.5 cents respectively.

The vote on the Nye motion was 38-47.

BOY OF 7 CRUSHED BY 10-TON TRUCK

St. Paul, March 13.—(U.P.)—V. C. Lindberg, truck driver, was held without charge today while police investigated the death of a 7-year-old boy who was crushed as he crossed the street by Lindberg's 10-ton truck.

Witnesses said two boys school police held up their stop signs while Quentin and 15 other children were crossing the street, but Lindberg could not stop the heavy truck.

Manila, P. I., March 13.—(U.P.)—Fire of undetermined origin, which started yesterday afternoon swept through Manila's most congested residential district last night, razing more than 100 homes.

PREDICTS NEW PROSPERITY FOR ALL BUSINESS

JOHN BRANDT SPEAKS AT LAND O' LAKES CREAMERIES ANNUAL MEETING

IS OPTIMISTIC REGARDING ENTIRE RECOVERY OF THE DAIRY INDUSTRY

Minneapolis, March 13.—(U.P.)—John Brandt, president of Land O' Lakes Creameries, today predicted a new prosperity in 1930 for all business, including the dairy industry, in an address before the annual convention of the farm co-operative.

The convention was attended by farmers and representatives of member co-operative creameries from Minnesota, Wisconsin, the Dakotas, Iowa and Michigan.

"We can see business prosperity just ahead," Brandt said.

He said improving conditions have been reported to Land O' Lakes from business representatives in every section of the country.

Referring to the recent slump in butter prices, Brandt said dairy farmers operating at a handicap on account of competition in their own field. He said farmers have been forced to compete in an unprotected market and buy in a market that has been given to home manufacturers through an effective protective tariff.

"The farmers could have avoided this condition had they been organized in business groups with the right kind of leadership. The co-operative movement has afforded the farmer an opportunity to become acquainted with his neighbor and has broadened his business views."

"He no longer listens to arguments that implied enmity and distrust toward everyone employed in any business except farming. The real business co-operator no longer listens to unsound and unfair arguments."

The creamery president said that in the past there has been too much co-operative gathering and dumping of farm produce, and not enough real marketing. He said the system of marketing which will be worked out by co-operatives in the future will not adversely affect commission men and brokers.

Brandt put the Land O' Lakes Creameries on record as heartily in favor of the federal farm board program. He explained that the creamery co-operative has borrowed funds from the board to be used in operation and expansion.

AUTHORIZE BRIDGE ACROSS MISSISSIPPI AT TOPEKA, MINN.

Washington, March 13.—(U.P.)—A bill authorizing the state of Minnesota to construct a bridge across the Mississippi river at or near Topeka, Minn., was passed by the senate today.

FOUR MEN FOUND HANGED ON ROAD NEAR MEXICO CITY

Mexico City, March 13.—(U.P.)—The capital awaited developments today in the investigation into the murder of four men found hanged by the side of a highway near Mexico City.

The men all reportedly were supporters of Joe Vasconcelos, defeated presidential candidate. The war department denied that the military were responsible for the deaths.

GENTLEMAN CAN NEVER WIN AN ARGUMENT VS. LADY

DOES NOT DISSUADE WET MEMBERS OF HOUSE JUDICIARY COMMITTEE

HALF A DOZEN DRY WOMEN WITNESSES RECALLED FOR CROSS-EXAMINATION

By PAUL R. MALLON

(United Press Staff Correspondent)

Washington, March 13.—The old warning that a gentleman can never win an argument with a lady did not dissuade wet members of the house judiciary committee who today recalled half a dozen dry women witnesses for further cross-examination.

The experience of the wets, particularly Reps. LaGuardia, republican of New York City, and Celler, democrat of Brooklyn, during nearly three hours of close questioning late yesterday, did, however, throw a damper upon further proceedings.

The two attorneys, veterans of innumerable debates in the courtroom and upon the floor of the house, indicated they were about ready to concede the last word to the so-called weaker sex, in the hearing on bills to repeal or modify the 18th amendment.

The 79-year-old conferee, the wet chairman of the committee, Rep. Graham, republican, Pennsylvania, conceded the ladies that much from the start and has declined to question them, leaving the word jousting to his rasher and younger associates.

For nearly three hours LaGuardia and Celler, pleaded and argued with the ladies about prohibition and its effects, but the results of their efforts were only such answers as "You are trying to twist my language and put words in my mouth." "You now that, why do you ask me?" "I am aware some liquor is being drunk in this country."

The ladies, part of a delegation of women's leaders of clubs, attorneys, welfare and social workers, stuck to their arguments insistently and claimed prohibition brought great economic benefits, lessened drinking, rescued the home, protected women and was the greatest moral improvement of this age.

From the delegation of 23, Celler and LaGuardia recalled six for further examination.

The only other dry witnesses scheduled for today was Carlton Sherwood, member of the citizens committee of 1,000, New York.

DEFENSE CLAIMS HURLEY WAS UNARMED NIGHT OF SHOOTING

St. Paul, March 13.—(U.P.)—Defense attorneys today told a jury of two women and 10 men that George Hurley was unarmed the night W. R. Bacheller, contractor, was shot to death in a street brawl.

Thomas McMeekin, chief defense counsel, began his closing arguments after the noon recess, and it was expected the case would be given to the jury late today. C. D. O'Brien, county prosecutor, asked in his final plea that a verdict of guilty on a charge of murder be returned against Hurley.

The trial began nine days ago and more than 40 witnesses testified. Both state and defense introduced witnesses who disagreed whether Bacheller was killed by Hurley or by the "shorter man" who was Hurley's companion on a drunken spree.

CHARGES NEBRASKA CO-EDS WITH BEING 'GOLD DIGGERS'

Lincoln, Neb., March 13.—(U.P.)—University of Nebraska co-eds today stood charged with being "gold diggers" by proprietors of campus food shops where students do their "caking" and "lolligaging."

"The majority of the co-eds will eat dinner as much when with a boy friend as when footing their own bill," the proprietors testified; while complaining that he believed this habit of the co-ed is responsible for a noticeable decline in the number of caking dates.

FRENCH AND SPANISH POINTS ANTAGONISTIC

FRANCE WANTED SECURITY ON SEAS FOR REDUCING HER NAVAL REQUIREMENTS

ITALY INSISTED UPON A NAVAL EQUALITY WITH FRENCH DEMANDS

By WEBB MILLER

(United Press Staff Correspondent)

London, March 13.—Refusal of the powers to guarantee France security on the seas in return for reduction of her naval requirements, and the insistence of Italy upon naval equality with France, were viewed today as having definitely ended hope of attaining the major objects of the London naval conference.

Foreign Minister Aristide Briand's declaration that he believed the work of the conference would be concluded next week or at the beginning of the following week, together with his announcement that he would return to Paris when Premier Andre Tardieu takes up the negotiations in London, have thrown a pessimistic cloud over the conference.

Briand's announcement that a security pact such as France set up as a bargain in return for reduction of her navy was impossible at the present conference occasioned little surprise. Throughout the negotiations the United States delegation has firmly adhered to the stand that America would participate in no such pact, and it has been generally understood that Great Britain was opposed to entering into any Mediterranean treaty based on the lines of the Locarno pact, which was another primary demand of the French delegation.

Two hopes remain. The first is that Tardieu will present a new set of "minimum" French figures for discussion by the conference.

The second is that, if no five-power agreement is arrived at, a triple arrangement between Great Britain, Japan and the United States, to which France and Italy may agree in some points, may be reached.

Such an agreement would include a contingent clause applying to Great Britain, who would be permitted to extend her building program "if endangered by other powers."

Signing of such an agreement immediately would raise the question of ratification by the United States senate, and no one is willing to risk a prediction on that point.

Happier results have been achieved, however, regarding the cruiser differences between Japan and the United States. Daily conferences between Britain, America and Japan have virtually settled the problem revolving around Japan's claims for a 70 percent ratio, the United Press learned today.

This in itself would pave the way for a three-power agreement, provided the contingent clause demanded by Great Britain is not too severe to be swallowed by the United States senate.

London, March 13.—Premier J. Ramsay MacDonald threw all his personal influence into an effort to save the five-power naval conference today.

The British spokesman said MacDonald, sensing a serious crisis, was stepping in to do all in his power to settle the differences among the delegations.

MacDonald caused postponement of the regular daily meeting of the "big five" at 4 P. M. to permit him to hold personal conferences with the French and Italian leaders. He saw Reijiro Wakatsuki, chief Japanese delegate, during the morning and arranged to see Dnio Grandi, the Italian foreign minister, at 3 P. M., and Foreign Minister Aristide Briand of France at 4 P. M.

He made no plans to confer with Secretary Henry L. Stimson, since the differences between Great Britain and the United States are almost nothing.

SLAYER OF FATHER IS FOUND INSANE

St. Louis, Mo., March 13.—(U.P.)—Alan H. Schumm, the University of Illinois freshman who killed his father and wounded his mother while home on a vacation last January, has been found insane by the commission of three mental experts appointed to examine him, the St. Louis Star said today.

The report of the psychiatrists will be submitted to circuit court Monday and "since the defense and prosecution have agreed to abide by their finding, it is probable that Schumm will be confined to an asylum," the Star said.

The three physicians, however, refused to discuss the report today.

Schumm was indicted on a charge of murder. He had come home from school when he believed in God, and when they replied "yes," he shot them.

On a simple catafalque draped with the flag he loved and served for two score years, William Howard Taft lies in state in the rotunda of the Capitol. There came friends—was one of the few men in high political life with almost no foes—dignitaries of the nation, great jurists, the people of Washington, all to sadly bid a last farewell.

Mrs. R. D. Conklin Entertains at Luncheon, Bridge

Mrs. R. D. Conklin entertained eight guests yesterday at a luncheon at Archer's followed by bridge at her home, apartment No. 4, Laurel building.

Two tables of bridge were played at which appointments were in green and white. Mrs. E. W. Brown was awarded the prize for high score and Mrs. A. C. Weber the consolation.

DRESS AS COLONISTS; SING EARLY HYMNS

At the meeting of St. Mary's Guild of St. Paul's Episcopal church, held last evening in the basement of the church, its president, Mrs. Harry Paine gave an interesting and educational talk on "The Episcopal Church in American History."

The ladies quartet of Brainerd, composed of Mrs. Kathryn Silk, Mrs. A. W. Moulster, Mrs. Harry Paine and Mrs. Charles Mahlum, dressed in Colonial costumes, sang delightfully a group of hymns, without accompaniment as in the early days, the hymns being the Crusaders' hymn "Fairest Lord Jesus," "Jesus Lover of my Soul" by Wesley, and "Come Thou Long Expected Jesus" also by Wesley.

Refreshments were served by Mrs. Henry Stein, the hostess of the evening.

Lenten Prayer Service

Lenten prayer service will be held this evening at 7:30 o'clock at the Methodist church. Studies in the Life of Christ will be taken up. All interested are welcome to come.

Bethlehem Lutheran Junior Choir The Bethlehem Lutheran Junior choir meets for rehearsal Friday evening at 7 o'clock.

Degree of Honor Card Party The Degree of Honor will hold a card party on Tuesday evening, March 18, at the Iron Exchange hall, at 8:30 o'clock. Lunch will be served, and prizes given. The public is invited.

Congregational Church Night

Tonight is church night at the First Congregational church at 7:45 o'clock. The subject is "Coming to Terms with the Universe."

ILL health prompts sale of popular resort, with bathing beach, store, dance hall, cottages, tourist camp, etc. For particulars address X-273 care Dispatch. 7406-23713eod

To Attend State Board Meet of Women Voters

Mrs. John J. Cummins, 716 South Sixth street, left this afternoon for Minneapolis to attend a meeting of the state board of the League of Women Voters. The meetings will be held all day Friday at the new Y. W. C. A. building. A luncheon will be served at noon.

Young People's Meeting

The Young People's meeting of the Full Gospel Assembly will be held on Friday evening at 8 o'clock at the church.

A program of special music, and singing and a talk by Rev. Ivan Miller will be given. Everyone is welcome.

Bethlehem Junior Young People's Society

The Junior Young People's society of the Bethlehem Lutheran church

will meet at the church assembly rooms tomorrow (Friday) evening at 8 o'clock. A program will be given, followed by the social hour and the serving of lunch. Hostesses are Mrs. O. A. Koskinen and Mrs. Edgar M. Olson.

Travelers in the desert are familiar with the visionary appearance of lakes, ships and trees. These objects seem real from a distance, but the vision fades when approached.

MIRAGE

"EASY MONEY" is a mirage that lures many into dangerous paths of speculation.

Experience has shown the fallacy of get-rich-quick plans and the hazards of speculating for abnormal profit. It has emphasized the wisdom of keeping your money where it will always be safe, and where it will produce a normal, regular income.

When you deposit with this bank you avoid risks and uncertainties. You know that your money will be safe all the time, and that it will increase with the steady accumulation of compound interest.

Selection—Mixed quartet.
Selection—Choir of the Evangelical church.
Song—Audience.
Refreshments will be served by the hostesses following the program.

HENDERSON IN SECOND DENIAL HE WAS DEAD

Shreveport, La., March 13.—(U.P.)—For the second time in two days W. K. Henderson of "Hello World" broadcasting note from radio station KWKH, denied here today he was dead.

Rumor flew out from Dayton, O., yesterday to that effect. It was spiced by Henderson, and last night he was at the microphone. Today a similar report came from Springfield, Ill., to be as promptly refuted.

He has been out of his quarters at KWKH only eight of the past 45 days. Most of this time was spent in the interest of his campaign against chain stores.

"THE SHADOW which pursues us all"

(John Greenleaf Whittier, 1807-1892)

"Coming events
cast their
shadows before"

AVOID THAT FUTURE SHADOW*

By refraining from over-indulgence, if you would maintain the modern figure of fashion

Women who prize the modern figure with its subtle, seductive curves—men who would keep that trim, proper form, eat healthfully but not immoderately. Banish excessiveness—eliminate abuses. Be moderate—be moderate in all things, even in smoking. When tempted to excess, when your eyes are bigger than your stomach, reach for a **Lucky** instead. Coming events cast their shadows before. Avoid that future shadow by avoiding over-indulgence if you would maintain the lithe, youthful, modern figure.

Lucky Strike, the finest Cigarette a man ever smoked, made of the finest tobacco—The Cream of the Crop—"IT'S TOASTED." Everyone knows that heat purifies and so "TOASTING" not only removes impurities but adds to the flavor and improves the taste.

"It's toasted"

Your Throat Protection—against irritation—against cough.

*Be Moderate! . . . Don't jeopardize the modern form by drastic diets, harmful reducing girdles, fake reducing tablets or other quack "anti-fat" remedies condemned by the Medical profession! Millions of dollars each year are wasted on these ridiculous and dangerous nostrums. Be Sensible! Be Moderate! We do not represent that smoking **Lucky Strike** Cigarettes will bring modern figures or cause the reduction of flesh. We do declare that when tempted to do yourself too well, if you will "Reach for a **Lucky**" instead, you will thus avoid over-indulgence in things that cause excess weight and, by avoiding over-indulgence, maintain a modern, graceful form.

TUNE IN—The Lucky Strike Dance Orchestra, every Saturday night, over a coast-to-coast network of the N. B. C.

THURSDAY, MARCH 13, 1936

Spring Trade Week

SPRING TRADE WEEK, set for March 24 to 29 in Brainerd, is not a new experiment in the life of progressive cities. Wherever tried out, it has found support and has been successful.

The practicability of merchants, civic and community associations, banks, newspapers and theatre combining their efforts for one week of concentrated merchandising effort has been recognized for years.

The combination of effort reduces the net cost to each* for sales promotion and advertising, the combined effort stimulates business in general by increasing the circulation of money in a given community.

With the first prospect of pleasant weather comes the time for this week of concentrated merchandising to revive the habits of shopping and see-a-show afternoons and evenings.

CITATION FOR HEARING ON FINAL ACCOUNT AND FOR DISTRIBUTION

No. 3261
State of Minnesota, County of Crow Wing, ss. In Probate Court, In the Matter of the Estate of Christ Olson, Decedent.
The State of Minnesota, to all persons interested in the final account and distribution of the estate of said decedent: The representative of the above named decedent, having filed in this Court her final account of the administration of the estate of said decedent, together with her petition praying for the adjustment and allowance of said final account and for distribution of the residue of said estate to the person thereunto entitled. Therefore, YOU, and EACH OF YOU, are hereby cited and required to show cause, if any you have, before this Court at the Probate Court Rooms in the Court House at Brainerd, Crow Wing County, Minnesota, on the 7th day of April, 1936, at 10 o'clock A. M., why said petition should not be granted.
WITNESSE, The Judge of said Court, and the Seal of said Court, this 12th day of March, 1936.
(Probate Court Seal) L. B. KINDEB, Judge of Probate.

"MASTER OF MONEY"

By ROY VICKERS

CHAPTER XXX.

"There will be a good deal to do during the next few weeks," said Alan. "You will find that the hotel will get under your feet every five minutes. Why not put up here? It would save both of us a good deal of time."

"That's rather a good idea," said Shirley. "Thanks, Alan, if you're sure I shan't be in your way."

"Not in the least," he assured her. "This place is quite big enough for two. As to the respectability part of it—"

"Oh, that!" said Shirley contemptuously.

After Shirley had gone back to the Felton to pack up and pay her bill, Alan, lingering over a pipe, tried to take stock of the latest development and found it extraordinarily difficult.

He wandered through the four rooms. He decided to give up his own room to Shirley.

There were no complications at all in his mind when he invited her to stay at the flat. Mrs. Sibley had made it clear that no one would believe the truth. To sleep under the same roof would, therefore, have no significance one way or the other.

And if they were really going into the Macedonian business, were really going to engage their passage and make all the arrangements for traveling, there was obvious convenience in their being together.

He had been wholly unconscious of Shirley's sex or personality when he had given the invitation—and now already he had started worrying about her personal comfort.

He went downtown to see a lawyer, then came back to his club for lunch. A page handed him a note.

THURSDAY, MARCH 13, 1930

Spring Trade Week

SPRING TRADE WEEK, set for March 24 to 29 in Brainerd, is not a new experiment in the life of progressive cities. Wherever tried out, it has found support and has been successful.

The practicability of merchants, civic and community associations, banks, newspapers and theatre combining their efforts for one week of concentrated merchandising effort has been recognized for years.

The combination of effort reduces the net cost to each*for sales promotion and advertising, the combined effort stimulates business in general by increasing the circulation of money in a given community.

With the first prospect of pleasant weather comes the time for this week of concentrated merchandising to revive the habits of shopping and see-a-show afternoons and evenings.

900 ATHLETES TO CONTEST AT ILLINOIS RELAY MEET

GREATEST FIELD EVER GATHERED FOR SUCH EVENT

ANNUAL INDOOR EVENT PROVIDES OCCASION FOR COMPARISONS

SO CLASSY ARE CONTENDERS THAT MANY RECORDS MAY FALL

By BERT DEMEY

(United Press Staff Correspondent)

Chicago, March 13.—Some athletes, who compose the greatest field ever to compete in the meet, tomorrow will begin the Illinois relay carnival—the annual indoor event which provides the first opportunity to compare the different teams which soon will be battling in the big outdoors affairs.

So classy is this year's entry list that it is considered almost certain several records will be broken and it will not be a surprise if some of the champions of last year are dethroned.

George Simpson, Ohio State's speedy dash man, to retain his title, must defeat such men as Eddie Tolan, the flashy little Michigan negro, and Hubert Meier of Iowa State. Meier took the Big Six championship in the 60-yard dash last week in :06.1 seconds, one-tenth of a second faster than the present world's record.

James Rockaway, teammate of Simpson, to successfully defend his high hurdles crown (provided his school declares him eligible before the meet) must defeat Lee Sentman, the Illinois hurdler who set an unofficial world's indoor record of :08.6 seconds for the 75 yards in the Big Ten meet last week.

One champion who seems likely to repeat is Orval Martin, Purdue's great middle-distance man. But Martin is more fortunate than Norman Root, Chicago, who must out-foot such men as Simpson, Tolan and Meier in the 300 yard dash, which he won last year.

In the pole vault, Tom Warne of Northwestern may repeat his victory of last year. He has great competition in Henry Canby, Iowa, and Verne McDermott of Illinois. But he beat both of them in the Big Ten meet last week.

The all-around championship should go to Barney Berlinger, the great Pennsylvania star and Olympic team man, who won last year with a record breaking total of 6,070 points out of a possible 7,000.

SPORTS KAYOES

By "HAPPY"

And the Minneapolis Ascensions will ascend no further in the National A. A. U. basketball tourney. They lost last evening to the Indianapolis South Side Turners by a score of 15-10. The Indianapolis club led 11-4 at the half. There must have been plenty of guarding in that game. It is too bad that the Ascensions had to lose that game for with it went all of Minnesota's chances of capturing the A. A. U. championship. The Turners went to the semi-finals this year and the night before they met the Ascensions they eliminated the strong Kansas City Strandbergs, favorites of many for the title.

Konechal of Little Falls, Hautala and Guin of Brainerd, Alden of Staples and Krueger of Crosby-Ironton were named by the Little Falls Transcript as an honorary all-district team. They placed Konechal as captain of the quintet.

The Transcript picks Konechal on the first team where the Dispatch put him on the second team. We recognize Konechal as a great little high school player, a wonderful dribbler and a good shot but his work, as far as we are concerned, has been too individualistic this year. If we conceded that he was of first team calibre in an all-district selection, we could not concede that he would be the logical man for captain with such players as Alden, Guin, Hautala and Krueger on the squad.

The Transcript seems to overlook Olson of Crosby-Ironton, whom the Dispatch named as an all-district

Stomach Troubles Headache and Dizziness

If your stomach is sick, you are sick all over. If you can't digest your food, you lose strength, get nervous and feel as tired when you get up as when you went to bed.

For 10 years Tanlac has restored to health and activity thousands who suffered just as you do—many of them right here in town. For instance, here is a letter from Mr. Nicholas Buynak, who says: "Indigestion was carrying me down at an alarming rate. One time it had me laid up in bed for six weeks. Tanlac has me eating, sleeping, and feeling fine and I don't believe it has an equal."

Let Tanlac do for you what it did for this sufferer. It corrects the most obstinate digestive troubles—relieves gas, pains in the stomach and bowels. It restores appetite, vigor and sound sleep.

Tanlac is made of roots, barks and herbs. Get a bottle from your druggist today. Your money back if it doesn't help you. Accept no substitute.

CROSBY-IRONTON DOPED TO WIN REGIONAL TOURNEY

guard. The down-river sports editor did not put Olson on either the first or second all-district team and dismisses him with honorable mention, saying that together with Phillips of Staples and Richardson of Aitkin he was another guard of high calibre. In our opinion Olson can not be kept off the first all-district team—he is a mighty sweet ball player and a dead-eye on long shots. We also disagree with playing Alden at a guard position. He looked mighty good at either forward or the center position all year. He is essentially an offensive man, not a defensive player.

Bemidji has good reason to be proud of a native son called Glenn Bethel. Last Monday night Glenn took the floor with the University of Minnesota

against Indiana university at the Gopher field house. Mr. Bethel was assigned the task of looking after the "crack" Mr. McCracken, leading scorer in the conference, for a time. During the time that Glenn played, he held the far-famed McCracken to one field goal and scored two himself. That's the kind of ball players we need at the "U."

Duluth failed to cinch a play-off position in the American Hockey Association last night. The Hornets lost to the championship Tulsa team, 5-0. The defeat broke the Hornets' winning streak of six consecutive games and marked their third defeat on their home rink this season. No wonder they aren't so joyful in Duluth today.

11TH DISTRICT CHAMPIONS MEET MELROSE FRIDAY

RANGERS TO PLAY AT 9 P. M.;
BUFFALO AND DAWSON MEET
AT 8 P. M.

WINNERS OF TWO GAMES MEET
IN FINALS SATURDAY; FAST
TOURNEY IS OUTLOOK

Crosby-Ironton, winner of the 11th district high school basketball tournament by defeating Brainerd in the overtime period Saturday night here by the score of 27 to 24, had its final workout this afternoon on the C-I

gym floor before leaving for the regional tournament at the St. Cloud armory.

The Rangers will meet Melrose in the second game tomorrow evening, starting at 9 o'clock. Buffalo and Dawson will mix it in the first game to start at 8 o'clock.

The winners of the two games will play in the finals Saturday evening.

Coach Wook concentrated this week in perfecting his defense and breaking up of the opposition's defense. He particularly gave his men plays to meet the zone defense which Brainerd so effectively produced in the finals.

Hundreds of range fans will accompany their team to St. Cloud and many Brainerd fans will also lend their support to the neighboring town. The entire district and particularly Crow Wing county is backing the Rangers to the limit.

without such stellar cagers as Smith of Alexandria, Doane of St. Cloud Tech-High and Hautala and Guin of Brainerd.

Crosby-Ironton's size, speed and scoring ability will give the team an advantage over its opponents in the regional.

Coach Wook concentrated this week in perfecting his defense and breaking up of the opposition's defense. He particularly gave his men plays to meet the zone defense which Brainerd so effectively produced in the finals.

Hundreds of range fans will accompany their team to St. Cloud and many Brainerd fans will also lend their support to the neighboring town. The entire district and particularly Crow Wing county is backing the Rangers to the limit.

'STRETCH' MURPHY SCORES FOUR FIELD GOALS LAST NIGHT

Chicago, March 13.—(U.P.)—Generally regarded as the greatest college center of this year, "Stretch" Murphy broke into the professional game last night and had the fans yelling "with a year's experience he'll be the greatest center in basketball."

Murphy led the scoring while the Chicago Bruins defeated the Brooklyn visitations, 26 to 13. He scored four field goals. In addition he held Pat Herlihy, one of the greatest of the pro centers, scoreless.

Here is the complete story of the important new development in Motor Oil

It is incorrect, perhaps, to call this story complete. The complete story would be the record of months of work in one of the world's greatest oil research laboratories.

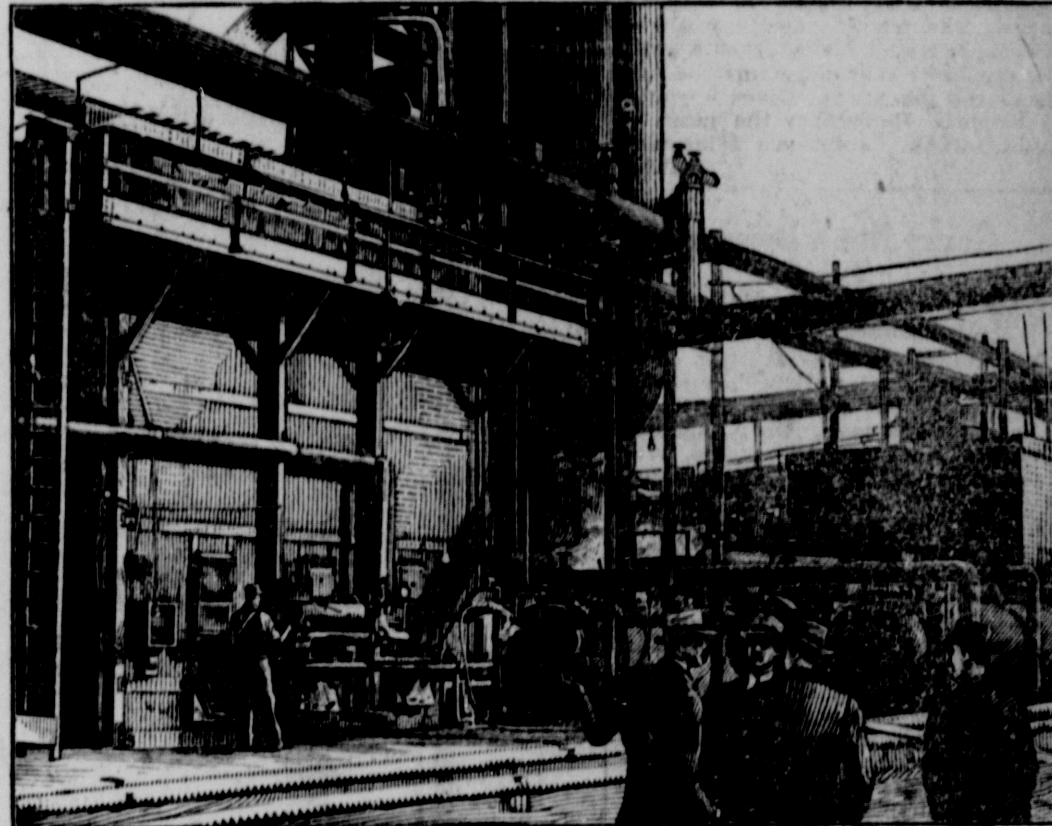

That is past. The important thing now is to tell you what this new motor oil will do for your car.

First of all, it means a tremendous reduction in the carbon nuisance. New Iso-Vis Oil actually reduces carbon formation far below most oils selling today at premium prices.

One reason for this is the fact that New Iso-Vis is a wholly distilled oil. Made by a special process, its sturdy body is not obtained by the usual method of adding undistilled parts of the crude.

New Iso-Vis also makes possible better lubrication at extremes of temperature—both high and low. It not only gives better starting, and a free flow of oil in cold weather, but it does not break down under high engine temperatures.

In addition, New Iso-Vis resists dilution and will not thin out in your crankcase. The enormous importance of this feature cannot be exaggerated. Ninety percent of all crankcase dilution takes place during the first 200 miles of driving. By overcoming this dilution, Iso-Vis assures you of lubrication not only when your oil is fresh but

right up until the time you change.

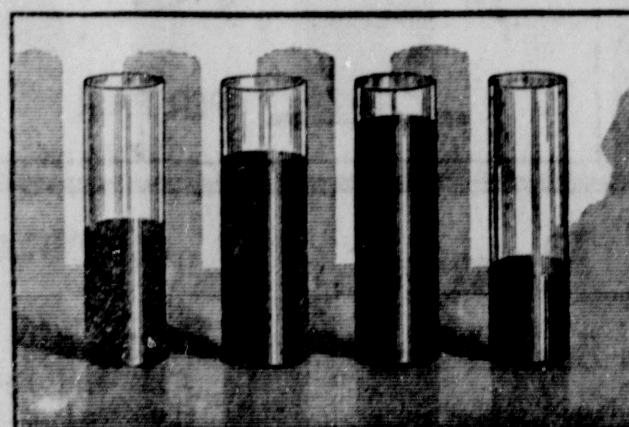

With Iso-Vis, the important reason for changing oil is not because of thinning out—but because it is impossible to prevent a certain amount of dirt from getting into the crankcase which must be removed by drainage.

New Iso-Vis is, we believe, the most important advance ever made in motor oil. Every Standard Oil dealer and service station can now supply you.

A VIEW of one of the great "stills" in which this new oil is refined. The process differs in some respects from any methods heretofore developed. Countless laboratory experiments were made. Only then were our engineers ready to announce these final results.

Notice the Color of New Iso-Vis. It is a rich amber. New Iso-Vis is a wholly distilled oil. Its sturdy body is not obtained by adding undistilled parts of the crude.

THESE VIALS show the different amounts of carbon formed in the same motor after 50 hours of running under exactly similar conditions with four different oils. Iso-Vis is at the extreme right. Carbon in the other vials is from three premium-priced oils.

New **ISO=VIS** 30's a quart
Motor Oil

The New Polarine is also affected by our new refining processes—giving it a degree of lubricating efficiency which we believe is exceeded only by the New Iso-Vis. The price is 25c a quart.

By "HAPPY"

And the Minneapolis Ascensions will ascend no further in the National A. A. U. basketball tourney. They lost last evening to the Indianapolis South Side Turners by a score of 15-10. The Indianapolis club led 11-4 at the half. There must have been plenty of guarding in that game. It is too bad that the Ascensions had to lose that game for with it went all of Minnesota's chances of capturing the A. A. U. championship. The Turners went to the semi-finals this year and the night before they met the Ascensions they eliminated the strong Kansas City Strandbergs, favorites of many for the title.

Konchal of Little Falls, Hautala and Guin of Brainerd, Alden of Staples and Krueger of Crosby-Ironton were named by the Little Falls Transcript as an honorary all-district team. They placed Konchal as captain of the quintet.

The Transcript picks Konchal on the first team where the Dispatch put him on the second team. We recognize Konchal as a great little high school player, a wonderful dribbler and a good shot but his work, as far as we are concerned, has been too individualistic this year. If we conceded that he was of first team calibre in an all-district selection, we could not concede that he would be the logical man for captain with such players as Alden, Guin, Hautala and Krueger on the squad.

The Transcript seems to overlook Olson of Crosby-Ironton, whom the Dispatch named as an all-district

Stomach Troubles Headache and Dizziness

If your stomach is sick, you are sick all over. If you can't digest your food, you lose strength, get nervous and feel as tired when you get up as when you went to bed.

For 10 years Tanlac has restored to health and activity thousands who suffered just as you do—many of them right here in town. For instance, here is a letter from Mr. Nicholas Buynak, who says: "Indigestion was carrying me down at an alarming rate. One time it had me laid up in bed for six weeks. Tanlac has me eating, sleeping, and feeling fine and I don't believe it has an equal."

Let Tanlac do for you what it did for this sufferer. It corrects the most obstinate digestive troubles—relieves gas, pains in the stomach and bowels. It restores appetite, vigor and sound sleep.

Tanlac is made of roots, barks and herbs. Get a bottle from your druggist today. Your money back if it doesn't help you. Accept no substitute.

CROSBY-IRONTON DOPED TO WIN REGIONAL TOURNEY

11TH DISTRICT CHAMPIONS MEET MELROSE FRIDAY

RANGERS TO PLAY AT 9 P. M.;
BUFFALO AND DAWSON MEET
AT 8 P. M.

WINNERS OF TWO GAMES MEET
IN FINALS SATURDAY; FAST
TOURNEY IS OUTLOOK

Crosby-Ironton, winner of the 11th district high school basketball tournament by defeating Brainerd in the overtime period Saturday night here by the score of 27 to 24, had its final workout this afternoon on the C-I

gym floor before leaving for the regional tournament at the St. Cloud armory.

The Rangers will meet Melrose in the second game tomorrow evening, starting at 9 o'clock. Buffalo and Dawson will mix it in the first game to start at 8 o'clock.

The winners of the two games will play in the finals Saturday evening.

Coach Wood's men are expected to go far this year. They are doped to win the regional tournament without trouble and represent Central Minnesota in the state championship at the field house of the University of Minnesota next week.

This season will find four C-I men out of high school basketball. They are Krueger, who won a place on the all-district team, Tom Perpich, John Perpich and Middleton. Returning to the squad next year will be Joe Perpich, Olson, Petrabor and Keeler. The regional tournament will be

without such stellar cagers as Smith of Alexandria, Doane of St. Cloud Tech-High and Hautala and Guin of Brainerd.

Crosby-Ironton's size, speed and scoring ability will give the team an advantage over its opponents in the regional.

Coach Wood concentrated this week in perfecting his defense and breaking up of the opposition's defense. He particularly gave his men plays to meet the zone defense which Brainerd so effectively produced in the finals.

Hundreds of range fans will accompany their team to St. Cloud and many Brainerd fans will also lend their support to the neighboring town. The entire district and particularly Crow Wing county is backing the Rangers to the limit.

'STRETCH' MURPHY SCORES FOUR FIELD GOALS LAST NIGHT

Chicago, March 13.—(U.P.)—Generally regarded as the greatest college center of this year, "Stretch" Murphy broke into the professional game last night and had the fans yelling "with a year's experience he'll be the greatest center in basketball."

Murphy led the scoring while the Chicago Bruins defeated the Brooklyn Visitation, 26 to 12. He scored four field goals. In addition he held Pat Herlihy, one of the greatest of the pro centers, scoreless.

Here is the complete story of the important new development in Motor Oil

It is incorrect, perhaps, to call this story complete. The complete story would be the record of months of work in one of the world's greatest oil research laboratories.

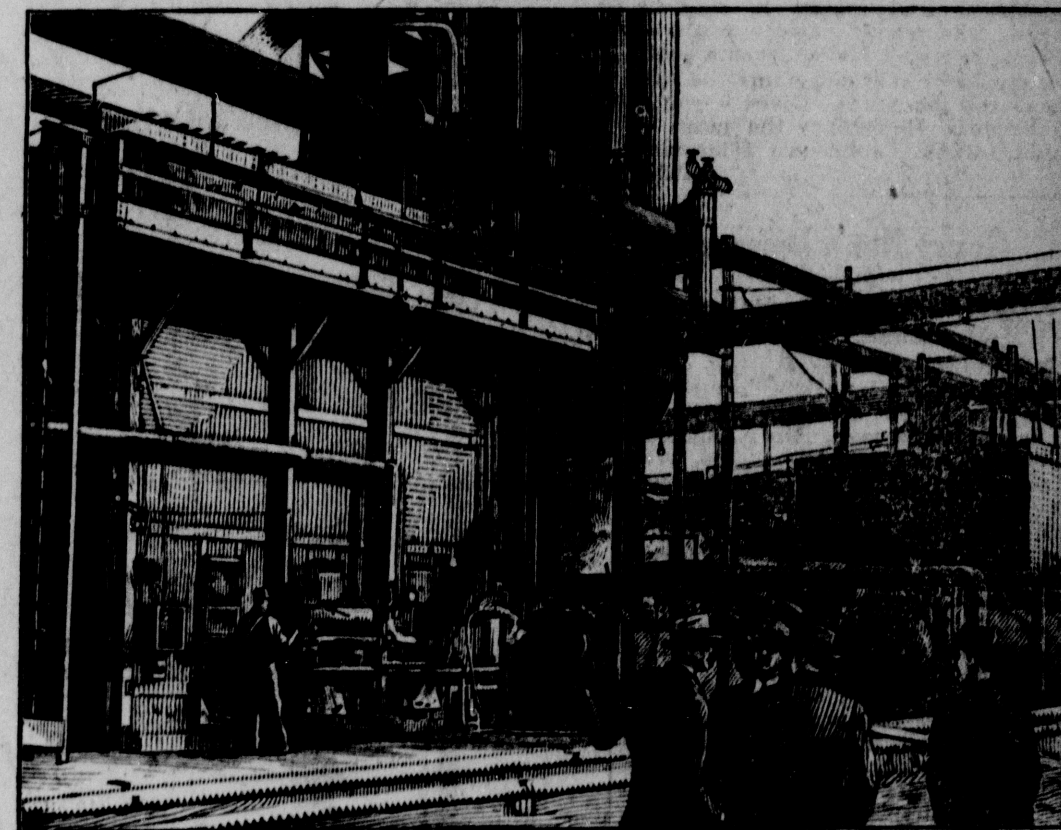

That is past. The important thing now is to tell you what this new motor oil will do for your car.

First of all, it means a tremendous reduction in the carbon nuisance. New Iso-Vis Oil actually reduces carbon formation far below most oils selling today at premium prices.

One reason for this is the fact that New Iso-Vis is a wholly distilled oil. Made by a special process, its sturdy body is not obtained by the usual method of adding undistilled parts of the crude.

New Iso-Vis also makes possible better lubrication at extremes of temperature—both high and low. It not only gives better starting, and a free flow of oil in cold weather, but it does not break down under high engine temperatures.

In addition, New Iso-Vis resists dilution and will not thin out in your crankcase. The enormous importance of this feature cannot be exaggerated. Ninety percent of all crankcase dilution takes place during the first 200 miles of driving. By overcoming this dilution, Iso-Vis assures you of lubrication not only when your oil is fresh but

right up until the time you change.

With Iso-Vis, the important reason for changing oil is not because of thinning out—but because it is impossible to prevent a certain amount of dirt from getting into the crankcase which must be removed by drainage.

New Iso-Vis is, we believe, the most important advance ever made in motor oil. Every Standard Oil dealer and service station can now supply you.

Notice the Color of New Iso-Vis
It is a rich amber. New Iso-Vis is a wholly distilled oil. Its sturdy body is not obtained by adding undistilled parts of the crude.

THESE VIALS show the different amounts of carbon formed in the same motor after 50 hours of running under exactly similar conditions with four different oils. Iso-Vis is at the extreme right. Carbon in the other vials is from three premium-priced oils.

New **ISO=VIS** 30's a quart
Motor Oil

The New Polarine is also affected by our new refining processes—giving it a degree of lubricating efficiency which we believe is exceeded only by the New Iso-Vis. The price is 25c a quart.

STANDARD OIL COMPANY (Indiana)

ROOSEVELT

The Modern Woodmen will give a pie social and dance at Pine Center March 22. Everybody is welcome.

The Modern Woodmen and their families met at the home of Mr. and Mrs. Archie Coffield Friday evening and those present were Mr. and Mrs. Clayton Dykeman and family, Mr. and Mrs. Ernest Brand and family, Mr. and Mrs. Will Marohn and little son, Mr. Wakeman and Will Treichler. The evening was spent with music and 500 was played and at midnight a luncheon was served by the hostess.

Mrs. Ernest Brand of Pine Center has a new line of ladies spring hats in. Come and look them over.

The Roosevelt Home Management club met at Mrs. Louis Schellin Tuesday, March 4, this being the last meeting. Mrs. T. G. Dykeman came and gave an interesting talk on home-maker's short course. Mrs. Dykeman being one of the delegates of the county.

Will Fahneschik is improving and able to do his own work again.

Mr. and Mrs. Alex Cash motored to Brainerd Tuesday on business.

Among those who were Brainerd callers Saturday were Ernest Brand, Mr. Wakeman, Mr. and Mrs. Will Fahneschik, Earl Coffield, Mr. Russell and Joe Edwards.

Mrs. Louis Schellin went to Brainerd Thursday to visit her husband who is in the hospital. He is getting along fine.

Ernest Persson dehorned Archie Coffield's cattle Friday.

Mr. and Mrs. Clause Johnson called at the home of his brother in Garrison.

Ed Strait and Casper called at Coffield's Monday.

Mrs. Archie Coffield entertained at dinner Sunday, Mr. and Mrs. Tom Dykeman, Mr. and Mrs. Forest Dykeman and Mrs. Alice Hilton.

Mrs. Alice Hilton, sister of Archie Coffield, is here visiting among relatives. She had not seen her brothers and sisters for about eight years.

Walter Munger is working for Mrs. Dahman.

Miss Anna Mae Coffield and Harvey have been on the sick list the past week with colds.

Fortune Purchased

We read on the forehead of those who are surrounded by a foolish luxury that fortune tells what she is thought to give.—La Fontaine.

New Face Powder Stays on Longer

A wonderful discovery is the new French process which gives MELLO-GLO Face Powder its unparalleled smoothness and makes it stay on longer. The purest powder made—its color is tested. Never gives a pasty or flaky look! Will not smart the skin or enlarge the pores. Gives a youthful bloom. Remember the name—MELLO-GLO. Johnson's Pharmacy. —Adv.

Goitre Not a Disease

Milwaukee Doctor Makes Remarkable Discovery

Milwaukee, Wis. — It has been brought to light by scientific research that goitre is not a disease and is not to be treated as such. Dr. A. A. Rock, Dept. F14, Box 737, Milwaukee, Wis., a prominent goitre specialist for over 24 years, has perfected a different method of treatment for his patients that has proved remarkably successful. This same method is now being used for a home treatment of goitre cases all over the country with astonishing results. The Doctor states that goitre is a condition which grows worse with neglect and recommends immediate attention no matter how small the growth may appear. He strongly opposes needless operations. Dr. Rock is the author of a book that tells in a simple way about treating goitre at home. He has published this book at his own expense and will send a copy free to anyone interested. Write him today. —adv.

No More Piles

Pile sufferers can only get quick, safe and lasting relief by removing the cause—bad blood circulation in the lower bowel. Cutting and salves can't do this—an internal remedy must be used. Dr. Leonhardt's Hem-Roid, a harmless tablet, succeeds because it relieves this blood congestion and strengthens the affected parts. Hem-Roid has a wonderful record for quick, safe and lasting relief to Pile sufferers. It will do the same for you or money back. H. P. Dunn, Johnson's Pharmacy and druggists everywhere sell Hem-Roid with this guarantee. —adv.

FLAMES DESTROY GARAGE, 20 CARS, HOTEL HARD HIT

LEAP THROUGH PINE RIVER
MOTOR CO. GARAGE TO THE
SPURRIER HOTEL

PATRONS LEAVE THE HOTEL IN
NIGHT CLOTHES; BRAINERD
FIRE DEPT. CALLED

Early estimates of fire loss to the Pine River Motor Co. garage and the Spurrier Hotel early this morning were placed at a total of \$50,000, according to a report by long distance telephone to The Dispatch.

The fire which started in the garage and swept with lightning speed through the hotel, destroyed more than 20 automobiles in storage there, according to information received.

The flames leaped from the garage to the Spurrier Hotel, travelling from the basement to the attic of the hotel building. Patrons were forced to leave their rooms in their night apparel.

The garage was a complete loss. A mass of wreckage remained this morning where once the one-story concrete garage stood. The Pine River fire department was powerless to prevent the spread of the blaze. Gasoline and oil in tanks and cars made the vehicles an easy prey to the flames.

The fire started at 1:30 A. M. and an emergency alarm was turned in to the Brainerd fire department at 3:45 A. M. Chief Frank Fuller, Leo Muller and Sherman Stein answered the alarm from Brainerd, taking one truck. They arrived at the scene of the fire within an hour after receiving the call and assisted in extinguishing the blaze.

The garage is owned by Mrs. Minnie Isensee and operated by her husband, Louis Isensee.

Wet Conditions

Although county highways have been little hit so far by the spring

breakup, County Highway Engineer Walter M. Murphy is prepared to meet wet conditions which may arise should the spring breakup become sudden.

While it has not been necessary yet to place load restrictions on the highways the two ton limit may be established to preserve the roads. Meanwhile County Engineer Murphy requests that heavy loads refrain from using the highways in midday when the roads are softest.

Work of application of gravel on State Aid Road No. 5 for one mile between Deerwood and Trunk Highway No. 19 has been started. The contract has been sublet by Fred Reid to Joseph Mirau of Crosby. Completion of the work is expected within two weeks.

AGED WOMAN BREAKS HIP IN FALL AT HOME

Mrs. Erick Anderson had the misfortune to fall and break her hip yesterday at the home of her daughter, Mrs. August Erickson, living about six miles east of Brainerd.

Mrs. Anderson, who will be 82 years of age next month, has made her home with her daughter for some time.

L. J. Erickson, living at 1603 Northwood street, is a son of Mrs. Anderson.

FLOWER SOCIETY TO HOLD ANNUAL MEET

Members and Public Invited to Attend
Meeting Tuesday Evening in
Chamber Rooms

TO ELECT OFFICERS
Plans to be Outlined in Interests of
National Flower Show and
Home Shows

The Crow Wing County Garden Flower Society will hold its annual meeting at the Chamber of Commerce rooms at 8 o'clock Tuesday evening, March 18 at which time election of officers will take place.

Of interest to all at this time is the National Flower Show to be held in Minneapolis March 26 to April 6 and at this meeting plans will be discussed looking forward to the club participating in the interests of this show.

Plans will also be discussed for the holding of home shows, the peony show in late June or early July and gladiolus and dahlia show in August.

Present members of the Society are: President—A. A. Arnold.
Vice President—A. P. Cardle.
Secretary—Mrs. Mabel Carmichael.
Treasurer—Mrs. C. A. Nelson.
Honorary President—C. P. Howell.
All members are urged to attend the meeting and visitors are cordially invited.

rites for PEQUOT FARMER TOMORROW

Funeral rites for Theodore A. Clarquist, farmer living near Pequot, will be conducted tomorrow at Pequot. Mr. Clarquist died at the St. Joseph's hospital, Brainerd, Wednesday morning at the age of 44 years.

2 NEW 4-H CLUBS ARE ORGANIZED

Trommald and Beaver Dam Elect
Officers, Increase Membership by 41

Two new 4-H clubs have been added to the number already organized this year.

These clubs, the Trommald 4-H club and the Beaver Dam 4-H club were organized Wednesday and Tuesday respectively by County Agent E. C. Roth.

The Trommald group has a membership of 30 with the following officers:

President—Marion Maxfield.
Vice President—Mirna Leibold.
Secretary—Treasurer—Lawrence Abar.

Leader—Mrs. Tillie Maxfield.
The Beaver Dam club with 11 members elected the following:

President—Paul Johnson.
Vice President—Elmer Holmes.
Secretary—Treasurer—Margaret Patterson.
Leaders—Mrs. Ella Skillings, Mrs. Violet Loom.

SPRING TRADE WEEK SET FOR MARCH 24-29

(Continued from page 1)
man; Stewart Mills, W. P. Tyrholm, Mayor Frank E. Little.

Military Camp

Frank J. Lowey reported conferring with Brigadier General E. A. Walsh regarding the military camp to be established in territory west of the river and south of Brainerd. The bridge at Fort Ripley may not be replaced by Morrison and Crow Wing counties as a new one would entail a cost of \$75,000. A new feature of the military camp will be an anti-aircraft section two miles wide and 20 miles long, to be set west of the training camp site.

The government may build a bridge where the Crow Wing river empties into the Mississippi, thus giving Brainerd access to the anti-aircraft area from the north. All improvements are expected to be completed by 1934. The main entrance to the military camp will be a mile south of Topeka. In the Fort Ripley area the government bought 27 farms in a block as

the starting nucleus for the camp. Next year more land will be purchased.

Outdoor Exposition
F. N. Russell reported progress in the matter of Chamber of Commerce representation at the Outdoor Exposition in Chicago in May. Bemidji and Onamia will co-operate with Brainerd. The question now is of getting exhibits together and raising the balance of the money required.

George E. Erickson suggested Brainerd make a bid for state institutions, as there is a possibility that a prison or reformatory extension may be built in northern Minnesota. On motion President Ryan will appoint the committee, which on motion carried is to be headed by himself.

New members of the Chamber accepted were Sheriff Claus A. Theorin and W. A. Barrows.

The supper was enjoyed by a large membership and by the Lions Club.

"Evangeline" Ranks High Among Big
Films of Year

Motion pictures may come and go but it is doubtful if a local screen will ever reflect a more impressive, wholesome and colorful romantic-drama than will be shown at the Paramount Friday and Saturday.

"Evangeline" is entertainment for every member of the household and for every household. Moreover it is good for the most critical doubting.

Thomas and the school child as well. As a poem "Evangeline" ranks among the world classics of literature; as a photoplay, thanks to an obviously sympathetic and pretentious production, it is equally vital.

There is not a wasted moment in the film. A powerful story, a stirring, appealing romance are developed steadily and surely and every scene is an artistic triumph, both from the histrionic angle, and the photographic.

FLAMES DESTROY GARAGE, 20 CARS, HOTEL HARD HIT

LEAP THROUGH PINE RIVER
MOTOR CO. GARAGE TO THE
SPURRIER HOTEL

PATRONS LEAVE THE HOTEL IN
NIGHT CLOTHES; BRAINERD
FIRE DEPT. CALLED

Early estimates of fire loss to the Pine River Motor Co. garage and the Spurrier Hotel early this morning were placed at a total of \$50,000, according to a report by long distance telephone to The Dispatch.

The fire which started in the garage and swept with lightning speed through the garage, destroyed more than 20 automobiles in storage there, according to information received.

The flames leaped from the garage to the Spurrier Hotel, travelling from the basement to the attic of the hotel building. Patrons were forced to leave their rooms in their night apparel.

The garage was a complete loss. A mass of wreckage remained this morning where once the one-story concrete garage stood. The Pine River fire department was powerless to prevent the spread of the blaze. Gasoline and oil in tanks and cars made the vehicles an easy prey to the flames.

The fire started at 1:30 A. M. and an emergency alarm was turned in to the Brainerd fire department at 3:45 A. M. Chief Frank Fuller, Leo Muller and Sherman Stein answered the alarm from Brainerd, taking one truck. They arrived at the scene of the fire within an hour after receiving the call and assisted in extinguishing the blaze.

The garage is owned by Mrs. Minnie Isensee and operated by her husband, Louis Isensee.

ROADS LITTLE HIT BY SPRING BREAK-UP

Highways Continue to be Good But
Department Men Ready for
Wet Conditions

Although county highways have been little hit so far by the spring

breakup, County Highway Engineer Walter M. Murphy is prepared to meet wet conditions which may arise should the spring breakup become sudden.

While it has not been necessary yet to place load restrictions on the highways the two ton limit may be established to preserve the roads. Meanwhile County Engineer Murphy requests that heavy loads refrain from using the highways in midday when the roads are softest.

Work of application of gravel on State Aid Road No. 5 for one mile between Deerwood and Trunk Highway No. 19 has been started. The contract has been sublet by Fred Reid to Joseph Mirau of Crosby. Completion of the work is expected within two weeks.

Can You Nominate This Boy?

We want to locate the most energetic boy in Brainerd. We do not expect this boy to answer this advertisement himself. It may not even come to his attention.

The boy we are looking for is from 13 to 17 years of age, clean-cut and aggressive. Of good, responsible parents who are interested in his future.

The position we have for this boy is taking charge of the well-established sales distribution agency for THE SATURDAY EVENING POST, THE LADIES' HOME JOURNAL and THE COUNTRY GENTLEMAN in Brainerd, which requires but a few hours work each week and will not interfere with his school work during the school season.

An invaluable, practical, business training, in addition to a permanent weekly income, will be his.

You, who are reading this advertisement, may know of such a boy. If so you will do him a real service by advising him of this opportunity so that he may secure an appointment with our representative, Mr. Whealen, this evening or tomorrow morning at the Ransford Hotel.
